Abstract—The abstract goes here. Let the abstract for the last iteration.

I. INTRODUCTION

Context [IOT]
Problem []
SoTA [existing solutions and their drawbacks]
Solution [Our approach]
Outline [How the paper is structured]

II. PROBLEM

Here we will talk about the problem that we want to solve.

III. APPROACH

IV. IMPLEMENTATION

Here we will describe our implementation

V. CONCLUSIONS

Reminder of our contributions
Future work

VI. CONCLUSION

The conclusion goes here.
